ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, do hereby:

SELL, ASSIGN, AND TRANSFER to LRM Industries International, Inc. (the Assignee), being incorporated under the laws of the State of Delaware, having a place of business at 135 Gus Hipp Blvd, Rockland, Florida 32955 the entire right, title and interest for the United States and all foreign countries in and to any and all improvements which are disclosed in the application described below, and in any continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be issued in the United States and all foreign countries on such improvements; and provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all patents granted on such improvements to the Assignee;

WARRANT AND COVENENT that no assignment, grant, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned.

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such improvements;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
